

# Waddle, Waddle, Splat!

### Building Fluency: adding and subtracting within 20

**Materials:** gameboard, markers, word problem cards, paper or manipulatives

**Number of Players: 2-3**

**Directions:**

1. Place the word problem cards face down on the gameboard.
2. Player 1 chooses the top word problem from the deck and reads it to Player 2.
3. If Player 2 adds to solve the problem, they waddle forward 1 space. If Player 2 subtracts to solve the problem, they waddle forward 2 spaces.
4. Players take turns drawing cards and solving problems.
5. The first player to waddle to the pond is the winner.
